Subject: Purpose of Travel for Parents Super Visa of Mrs Tahmina Begum (Passport # BP 0671375) and Md Tazul Islam Sarkar (Passport # BP 0671439)

Dear Sir/Madam,

We, Tahmina Begum and Md Tazul Islam Sarkar, parents of Tarana Tajnin Islam and Parent-in-laws of Mallik Imtiaz Hassan, are writing this letter to explain our purpose of travel to Canada to visit our lovely daughter and son-in-law (proposed time: April 01, 2020 to April 30, 2020).

To introduce ourselves, I, Tahmina Begum, have completed a Masters degree in Political Science from the University of Dhaka, Bangladesh. I am serving as a Teacher in Kamalpur Hazi Jahiruddin High School, Bhairab for around 18 years till date. My husband, Md Tazul Islam Sarkar is also a Masters degree holder in Islamic History from University of Dhaka, Bangladesh. He successfully worked in a College of Narsingdi, Bangladesh for 20 years and retired as an Assistant Professor in 2009. Our daughter Tarana Tajnin Islam and son-in-law Mallik Imtiaz Hassan, both are living in Canada as permanent residents (status expires on December 13, 2023). Our daughter moved to Canada to live with her husband in Summer 2018 leaving her banking career in Bangladesh. Our son-in-law is a Graduate of Computer Science from the University of New Brunswick, Fredericton, NB. He is currently serving the Government of New Brunswick as a Senior Programmer Analyst.

Since our son-in-law has a stable provincial government job now and both of them love the diversity and respectful Canadian culture, they decided to live the rest of their lives in Canada. We are happy for them and we pray for the best for their future. Since our daughter left us, we always find it difficult to accept the fact that she will live without us in a far away country forever. Our daughter and son-in-law also feels the same. However, deep in the mind, we know how tough it is for us to live without our elder daughter. As our daughter, Tarana moved to Canada just more than a year ago and trying to restart her banking career as well as to cope up with new diversities and our son-in-law is serving the Provincial Government of NB, both are passing busy schedule to manage time to visit us. That's why they have invited us to enjoy family reunion with them.

Our daughter and son-in-law want us to experience how they are enduring their life in Canada, how beautiful is the atmosphere around and especially how polite and gentle the Canadians are! Tarana is our adorable elder daughter and she misses us deeply which we can translate from our conversation over phone every day. We also want to see them in their environment and want to

enjoy a glimpse of life in Canada. Therefore, our soul purpose of this visit is to refresh our mental health by this awaited family reunion. They also want us to enjoy the beautiful land of maple leaf, which is why they want us to be in Canada.

During our stay with them, our plan is to visit mostly the Atlantic Canada. Our daughter and Son-in-law have planned for multiple trips to nearby natural and recreational places in New Brunswick, Nova Scotia and Prince Edward Island to celebrate our family reunion. If time permits, we want to explore some parts of Halifax also.

Our daughter and son-in-law live in an apartment where we will be living with them upon successful completion of this visa application. Our son-in-law has already purchased medical health insurances for us from a Canadian health insurance provider named Travel Shield (policy number: TSS7414665 for Md Tazul Islam Sarkar and TSS7414666 for Tahmina Begum, coverage of CAD \$100,000 each) which will be valid from 2020-03-15 to 2021-03-15. Our daughter and son-in-law (as a co-signer) has promised to pay all of our necessities during our stay with them. This includes food and grocery supplies, health and drug supplies, recreational activities payments and all other possible expenses. However, I, Tahmina Begum, have savings from salary in my bank account and my husband has a handsome savings from his pension in his account which we are ready to take along with us to Canada if our visa application is approved. Below table explain the amount of money we do possess which is ready to use if required during our stay in Canada.

Rate: 1 CAD = 64.86 BDT as of October 26, 2019

We are leaving our only son and younger daughter in Bangladesh which is our biggest country tie to come back. Our son S. M Sadik Tanveer is a Senior Assistant Secretary, Ministry of Water Resources of the Government of Bangladesh. Our younger daughter Faria Nazmoon Prova is serving as an Assistant Surgeon to the Government of Bangladesh. Also, since our younger daughter is unmarried, we are obliged to get her wed with a suitable groom according to our social and religious rituals. We are searching for a perfect groom for her and eagerly waiting to make arrangements for our lovely and talented younger daughter's wedding. We also have our lovely two years old grand-daughter from our son in Bangladesh who is extremely adorable to us. Every month we need to stay our son's place to spend time with our grand-daughter who is also a great fan of her grandfather. For all these reasons, we have no intention to live in Canada after the mentioned period.

Apart from family ties, since I, Tahmina Begum, am working as a teacher, I have to join my workplace after one month leave (Letter attached). It is my great responsibility and pleasure also to teach young stars. Every year, I am the main person in my school who leads the arrangement of cultural programs and Girl's Scout. My husband, Md Tazul Islam Sarkar, is responsible to look after his own house and other properties (Documents attached). He is also the President of the local mosque committee. As a senior fellow and retired Professor in town, he gets invited in social and cultural events in our small community that gives us enormous pleasure and honor. Hence, we are obliged to leave Canada after enjoying a month of family reunion and will not become a burden on the government of Canada under any circumstances.

We also have a history of travel in foreign countries for a short period of time. Table below describes our travel history:

COUNTRY	FROM (YYYY-MM)	TO (YYYY-MM)	PURPOSE OF TRAVEL
India	2018-04	2018-04	Health Checkup
Kingdom of Saudi Arabia	2016-08	2016-10	Hajj (Religious Trip)

To summarize, we believe we could clearly demonstrate our credentials to explain that our sole purpose of visit in Canada is only to spend family time with our eldest daughter and son-in-law. We have no intention to stay there for longer than the allowed period. Moreover, our visit will make our daughter and son-in-law mentally strong as a family and help them to contribute to the economy and cultural diversity of New Brunswick. Considering our financial stability, family and social status, previous practice of travelling to foreign lands and strong ties in Bangladesh, we would wholeheartedly seek for you to grant our parent super visa application and give us the privilege to spend some quality time with family in Canada.

Sincerely,

 Tahmina Begum Present & Permanent Address: Kamalpur, Poshu Hospital Road, Bhairab, Kishoreganj, Bangladesh	 Md Tazul Islam Sarkar Present & Permanent Address: Kamalpur, Poshu Hospital Road, Bhairab, Kishoreganj, Bangladesh
