Subject: Letter of Invitation for Super Visa of Tahmina Begum and Md Tazul Islam Sarkar

Dear Sir/Madam,

This letter is to confirm that I, Tarana Tajnin Islam am inviting my parents Tahmina Begum and Md Tazul Islam Sarkar for Parents/Grandparents Super visa in Canada. My husband Mallik Imtiaz Hassan is a co-signer of this invitation and will fully support and bear all expenses during their stay in Canada and their travels as well. Please consider their application of Super Visa for Parents/Grandparents.

My Status in Canada

I and my husband are permanent residents in Canada. We have become permanent resident on October 20, 2018. My husband works for the Government of New Brunswick (Service New Brunswick, SNB) as a Programmer Analysts (full-time) in Fredericton, New Brunswick, Canada.

My Parents Status in Bangladesh

My mother is by born citizen of Bangladesh. She is a school teacher. My father is also a citizen of Bangladesh and a retired assistant professor of a college and a socially active person.

Purpose of trip of my parents

My parents soul purpose of trip is to visit us in Canada, experience our life in Canada and also to visit historical and recreational places of Atlantic Canada. I moved to Canada just more than a year ago and I am about to start my career here. My husband serves the provincial government sincerely and he is in an early stage in his Canadian career. For that reason, we do not plan to visit back home very soon. Rather it is convenient that my parents visit us which will - apart from visiting me - also allow them to enjoy this beautiful land.
