I am a naturalized citizen of Canada (citizenship awarded: ..... ) and currently residing with my husband in Fredericton, NB, Canada. My husband, also a naturalized citizen of Canada (citizenship awarded: ..... ), is currently working as an Assistant Professor in the Department of Economics at the University of New Brunswick, Fredericton, NB, Canada. We reside in a two bedroom apartment in Fredericton, NB. Apart from two of us (my husband and I) no one else is sharing our apartment.

My parents are currently residing in the above mentioned address along with my brother's family in Bangladesh. We are pleased to inform you that we are expecting our first child in the beginning of June 2017. As such, we would like to invite my father to meet his grandchild and spare some time with us. Upon receiving our invitation, my father has expressed interest to visit us for a short period of time, maximum 6 months. My father has sufficient fund to visit us, however, we assure, if required, we will take responsibility to bear travel and boarding expenses during his visit to Canada. It's worthwhile to mention that my mother received Canadian visitor visa in 2015 and her visa is valid until 2020. She has visited us once in 2015. She is also expected to accompany my father this time to meet her grandchild. We also assure that both of my parents **will** return to Bangladesh after spending a few months with us within the valid time frame of the visitor visa. We have attached required documents here.

We, therefore, request you to issue visitor visa to my father to come to Canada. This will be a great opportunity for us to welcome him (along with my mother). During their visit, they will stay with us in Fredericton, NB. Thank you for your attention. Should you require further information, please feel free to contact either one of us.

Sincerely,
